

CELEBRATION BOOK PROGRAM

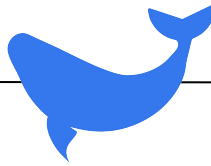

Donate a book to our library!

Celebrate your student's birthday, a top-notch report card, excellence in sports, or just because by donating a book in their honor to our school library!

For a \$25 donation, your student will:

- ★ Choose one book to dedicate from the librarian's pre-selected new collection of Celebration Books during their next class library visit.
- ★ Receive a personalized dedication bookplate on the inside cover of the book.
- ★ Receive a celebration bookmark.
- ★ Be the first to check out and share the book with their family.

When finished, the student will return the book to the school library, where it will be available for all students to check out for years to come!

Please complete the form below and return with your donation to your child's teacher or the office. This is an annual program. We are happy to accept all forms until our deadline of April 30th of the school year.
